

## PLAN BUILD HOME IS UNDER WAY

Plans of Columbus Lodge Revives  
Plans for Home on  
Delayed by War.

Sentiment expressed at last  
meeting of Alloues council,  
of Columbus, materializes,  
of a magnificent new  
home get under way, in the  
city. A building committee of 15  
was appointed to investigate  
various plans for financing  
the project. This committee will  
meet Monday night and organize  
into a permanent unit of the  
council.

The council owns the property on  
the northeast corner of Seventh  
avenue and Eighteenth street. This  
plot is 150 by 200 feet. Sentiment  
is said to favor the erection of a  
five-story building on this site. It  
is proposed to devote the basement  
to a gymnasium and swimming  
pool, the first floor to be billiard  
parlors and library, the second,  
third and fourth floors to sleeping  
rooms and the top floor to a ball-  
room. Estimated cost of the struc-  
ture is placed between \$150,000 and  
\$175,000.

A proposal to finance the propo-  
sition with a bond issue meets with  
general approval of the member-  
ship.

Has Long Been Planned.  
Prior to the war, Alloues council  
gave serious attention to the ques-  
tion of a new building. The prop-  
erty at Seventh avenue and Eight-  
teenth street was acquired for this  
purpose, but with the sudden rise in  
building costs and labor the ques-  
tion was laid aside. When the mat-  
ter first came up, \$30,000 would  
have covered the cost of a building  
which today would cause an in-  
vestment of nearly \$300,000. Re-  
cent drops in cost of building ma-  
terials has again brought revival of  
the subject and all indications are  
that the matter will be carried  
through to completion within a  
comparatively short time.

The site of the proposed build-  
ing is in the heart of Rock Island's  
residential district. It is regarded  
as an ideal site for a fine lodge  
structure.

Various officers of the past year will  
give reports of activities promoted  
under their direction. President M.

## TWO IOWA CITY MEN HAVE TIME

Paul Roberts and J. W. Wilkinson  
Out for Fun Wanted to "See  
Rock Island First."

Paul Roberts, 60, and J. W. Wil-  
kinson, 35, both said to live in Iowa  
City, Iowa, raised a considerable  
rumpus in Rock Island Tuesday  
night. They were arrested at 3  
o'clock this morning at a rooming  
house at 1116 1/2 Second avenue con-  
ducted by Mrs. Marie Smith.

Both men were intoxicated. On  
being arraigned before Magistrate  
D. J. Cleland in police court they  
were charged with disorderly con-  
duct on complaint of Mrs. Smith.  
She told the court that the men had  
come to her rooming house Tues-  
day evening and rented two rooms.  
They left and returned a short  
time later considerably "under the  
weather." They wanted to be  
shown to their rooms, being un-  
able to find them. Again they went  
out and again they returned. This  
time they demanded more attention.  
After being shown to their rooms  
Roberts refused to stay in his room  
and Wilkinson used all manner of  
persuasion to hold him. Finally  
Roberts went to sleep and Wilkin-  
son went out alone. He came back  
and wanted to be shown to his  
room.

This time Wilkinson did not  
want to stay in his room and he  
went to Roberts' room and awak-  
ened the man. The two proceeded  
to stamp up and down the stairs  
and through the halls. They awak-  
ened all the other roomers, who  
used their best influences to quiet  
the turmoil.

Claims He Lost Money.  
Roberts thought of his money.

and returned to his room, finding  
a pocketbook, which was empty,  
and which he refused to claim as  
his own. He declared that he had  
lost \$12. There was more turmoil  
and the police were called. Both  
men pleaded not guilty to the  
charges of disorderly conduct, but  
had little to say when testimony  
was offered against them. Roberts  
still maintained that he was short  
\$12. He did not have money to pay  
his fine and Wilkinson had barely  
enough to pay his. The fines of \$5  
each made a total amount  
of \$10.40 due from each man. Wil-  
kinson paid his fine and then vol-  
unteered to stay at the station as  
"security" for Roberts while the  
latter went out to cash his check  
on an Iowa City bank. He was  
successful, and both men were re-  
leased.

## EXTREME CRUELTY.

Cleveland, Ohio, Nov. 17.—It is  
extreme cruelty for a minister to  
remain in his pulpit at \$93 a month  
when he has a wife and five chil-  
dren to support, Judge F. C. Phil-  
lips declared in an opinion handed  
down in a divorce suit filed by Rev.  
Benjamin A. Sherwin against his  
wife.

## PICTURE BENEFIT ST. PAUL'S CHURCH ATTRACTS CROWD

At the Fifth Avenue theatre last  
night the picture "The Living Shad-  
ow," presented as a benefit to St.  
Paul's Belgian catholic church, of  
which Rev. Peter Zwart is rector,  
was enjoyed by a large audience,  
netting a neat sum for the purpose  
for which it was offered. "The  
Rosary," which like "The Living  
Shadow," is a famous film produc-  
tion, is to be presented at the Fifth  
avenue theatre tomorrow evening.

"The Rosary" also is to be given for  
the benefit and under the auspices  
of St. Paul's church.
